

Peru Map - Republic of Peru Travel Map (VideoHive 33930641) - AE Project

2025-02-10 16:56:57 label 我要反馈 下载页面

This is the ideal tool to make travel videos. It comes with an animation map that shows the United States and eight types of 3D maps. The map covers every region that makes up the entire country. It is simple to use because it comes with simple controls.

Create your own travel video with just a few mouse clicks. Use the 3D camera to control the map, allowing you to move closer to any part of the country. Alter the color of the background and the map to achieve a pleasing design.

Edit the color, location, and dimensions of the points to create the look you require. Change the layout of geo-points to highlight the paths you need. Add decorative elements to create your own map. Edit text on the map so that they focus on the correct areas.

Furthermore, a huge variety of infographics are available in this collection. Create animated elements for any kind of scene to create your travel introduction. Select any of the 100 icons for travel.

The sound effects that are included in the map add a unique flavor to the video. Last but not least, save your trip video in four resolutions so that you can display your video on computers and large screens and on mobile devices, and on social networks for advertising.

This template is great for making any kind of travel video. Download the map of travel and create your own travel-related video today.

The design of Peru Map - Republic of Peru Travel Map template has been designed to be in line with the latest design trends, so you can buy additional images and components from any vendor on any market and mix these with this 3DTheme effortlessly.

- There are many placeholders available for global photos or international video
- Montage versions. It's easy to create different durations for your 3D Portfolio - simply change the duration and add scenes.
- Change colors. Each color can be edited using a powerful editing panel. Utilize different color variations.
