

Countdown Timer Toolkit (Videohive 30622547)

2025-02-10 17:12:14 label 我要反馈 下载页面

**Countdown Timer Toolkit (Videohive 30622547):** The Countdown Toolkit to use with Davinci Resolve 16 & 17 lets you fully control how you make a modern counter-clock that is negative (to null value) as well as a stopwatch (from zero value). Choose between 6 different designs and three-time formats and customize the colors, titles, and color and the duration of the countdown to any length of time. everything else is automated! You don't have to alter the value of the time manually. Make your fitness-related video more engaging or business presentation with an infographic explainer, webinar online course tutorial, event promotional corporate, or promotional videos. An ideal tool for all resolution or fusion video editors including YouTubers, TikTok, and YouTubers. FB as well as Instagram influencers. Enhance your conversion rates and take your marketing strategy to the next step. All resolutions, all frame rates and 4K-ready.

It can be used in Davinci Studio and Free 16 and 17, and on the latest MacBooks equipped with the M1 chips! You can use it for personal or business use such as YouTube advertising, or creating broadcast videos. Perfect pack for a digital agency.

- Works with Davinci Resolve 16, 17, and 16 (and more recent versions)
- Also works on the new MacBook equipped with an M1 chip
- Simple Time and Color Control
- Compatible with any font
