

Another Day of Paradise Summer (Videohive 52911491) - AE Project

2025-02-10 16:44:32 label 我要反馈 下载页面

Another Day of Paradise Summer promotes a versatile Adobe After Effects template for creating modern vlog promotions or channel identity videos quickly and easily.

How to design an Instagram channel advertising project using templates in After Effects?

You can use "Another Day of Paradise Summer" to design your project.

It highlights applications such as music festival intros, fashion Instagram channel promos, singer video blog intros, brand events, fashion broadcasts, and social media accounts. The template features compatibility with Adobe After Effects CC 2014 or higher, FullHD resolution (1920×1080), easy customization, fast rendering, a duration of 38 seconds with 11 unique scenes, 9 media placeholders, 16 editable titles, and requires no additional plugins. Font details are provided in an included PDF.

Package information

The After Effects template was last updated and published on June 21, 2024, supports CC, and includes project files with universal expressions, ensuring compatibility across different language versions.
