

The Vintage Photo Kit By Aury Art and Design

2025-02-10 16:59:27 label 我要反馈 下载页面

This kit contains 9 types of polaroid actions. With just one click, give your photos the original polaroid look. You'll also receive 4 moody/grainy effects. Each of these Photoshop Moody actions will give a little more mood to darker images as well as those with brighter colors. Includes a pdf guide on "How to Install".
