Multi Screen Slideshow - AE Project VH-53102668:

Create a warm event opener, fashion video, or corporate opener with this minimalist Multi Screen Slideshow After Effects template.

Designed like a gallery wall with multiple video screens, it features a clean, black background with bright stickers to guide viewer attention.

Customize by adding greetings, titles, slogans, text, video, and music for a unique presentation.

The template is well-organized, easy to use, and includes color control, 4K resolution, fast rendering, and compatibility with After Effects CC22 and above.

No plugins are required.
