Epic Stock Media Fire Mid Tempo Bass House (WAV): Introducing 'Fire Mid Tempo Bass House' by Epic Stock Media, a versatile sample pack curated for the creation of festival-inspired Bass music.

This cross-genre collection is meticulously designed to assist in crafting distinctive and professional tracks spanning genres such as House, Future House, Bass House, EDM, Dubstep, Dance, and various modern Electronic styles.

Within this library, you'll discover production-ready samples and loops featuring a crunchy, Lo-Fi, and gritty aesthetic. These assets provide the essential elements to construct vibrant Electro vibes and solid House music brimming with charisma and rhythmic precision.

For your convenience, all content is neatly organized into folders and thoughtfully key-tagged. The samples are enriched with metadata to facilitate easy navigation and sound selection. Furthermore, the entire package is Royalty-Free, delivered in high-quality 24-bit WAV format, and compatible with popular samplers, DAWs, and plugins.
