Numeric Timers & Countdowns VH-37263539: Create an animated numeric countdown or timer that can last up to two hours in total with After Effects CC. Select one of the three formats for time (HH:MM:SS) and set the duration and indicate the format you'd like to choose from either a **countdown or timer**. as well as a **countdown**.

Inside, you'll find a dozen stunningly designed counters/countdowns which can be easily modified and personalized. Change duration, change text and font settings, element sizes, colors, element positions, and more. The templates are built on code, so you are able to alter any element at any time during the production of your video, without the requirement to create it over again.

- Two hours or more in total
- Code-Based
- Auto Adjustable
- Eye-Catching Design
- Simple to use and Easy to Use and Customize
