These After Effects icons are a great way to add visual flair to your videos. All icons can be imported, customized, and used in just a few mouse clicks. You can change all colors easily. The shape nature of icons allows you to resize them without affecting their quality. We have included both monocular and multicolor versions to increase productivity. These animated icons can be used for video presentations, Youtube Videos, and social media posts. This pack can be used in commercial and personal projects alike.
