2025-02-10 16:50:03　　label 我要反馈　　下载页面

Minimalistic design elements that are designed to help you develop new ideas quickly!

These vibrant geometric shapes are great for poster concepts and brochure design, branding, and many other things (please look at the examples for additional use cases)

A modern and unique set of **60 forms, floral elements** to design your designs, and **30 background posters** created using shapes. This large set is ideal for greeting cards, animation banners, stickers posters, posters, social media, web brochures, magazine sales, billboards, sale printing, branding, and so many more!

You receive will be:

- **EPS10** vector formats
- **AI** vector formats
- **PNG** Render images of shapes that are saved in separate files (5000x5000 300 dpi, 300 pixels) (RGB, XML).
- **JPG** posters with raster images stored in separate files (different size, around 300 dpi, 5000x5000px) (RGB

COMPATIBILITY

The EPS10 vector format works to Adobe Illustrator10 or with newer versions. AI vector formats are compatible with Adobe Illustrator CS or with the latest versions. JPEG RAW images can be open with any editing software for photos.
