Bright Slideshow (Videohive 13707861) - AE Project:

The Bright Slideshow is a versatile After Effects template perfect for various uses, including openers, slideshows with a parallax effect, corporate and event openers, photo albums, promos, and travel galleries.

It is ideal for showcasing products, creating business presentations, designing TV shows, broadcast packs, award packages, and fashion events.

Suitable for YouTube, Vimeo, and social media platforms like Facebook, Twitter, and Instagram, it allows users to impress their audience with stylish videos.

This high-quality, well-organized template features a modular structure for easy duration adjustments and includes a video tutorial for beginners.

Compatible with After Effects CS5.5 and higher, it supports both horizontal (1920x1080) and vertical (1080x1920) resolutions and requires no plugins.

Users can easily customize text, images, audio, and colors. Music and preview images are not included.
