Sacred Light Photoshop Action: This photoshop activity was made to transform your photo's into actual holy light impact appearance. In only a click you can turn anybody into and this is quite straightforward to use and you may use any color to brush the layers. This Action was tested and functioning on Photoshop CS6 - CC+ Please see the tutorial under.

Layers Guide: [For optimum response use 2500-3500px height/width.]

1. "brush" Layer is to your topic.

It's 1 action to create Sacred Light Impact. It's 2 distinct impact choices to assist you in matches in your topic. It's 3 mild choices click no-hassle editing. It's 3 Smoke choices click no-hassle editing. It's 3 Feather choices click no-hassle editing.

Simple to Use. A different result in each moment. Non-destructive effect. Well organized layers. Layers are flexible. Works from the following variants: CS6, CC+ Works just about the English version of this Photoshop because of naming conventions of these layers. Pictures in the trailer are comprised.

Having problems or mistakes together with the Action? Double-check if you've got your document setup properly as shown within the"Setup Guide" folder. This can help prevent errors and create better outcomes. If you're still stuck, then please email me with a screenshot of your whole Photoshop interface at which the mistake shows. Please let me know what version of Photoshop you're using so that I will assist you faster.
