Dynamic Retro Opener - AE Project VH-53668665:

The Dynamic Retro Opener is a user-friendly After Effects template that offers minimalist retro-inspired animations. It includes 19 media placeholders, 1 logo placeholder, and 11 text layers that you can easily edit.

Compatible with After Effects CC 2023 and above, the template supports full HD resolution (1920×1080).

You can quickly customize the design by updating the text and colors.

Additionally, the template features universal expressions to ensure compatibility across various language versions of After Effects.
