**Youtube and Broadcast Nexts (Videohive 41162556):** Utilize these graphic elements to create announcements for your videos on your YouTube channel or TV. Present your most popular or upcoming videos on your channel to show your viewers how to enjoy them and boost their views—Premiere Pro version.

The application is as simple as possible and provides tips for a quick orientation. Simply place your videos, edit text, and then set the color using advanced settings controllers. The project can be customized with flexible settings, and you can alter the size, location, the opacity. The square and vertical versions of Youtube Videos are provided.

- Premiere Pro CS 2021 and later compatible versions
- 4K, FULL HD | 30 fps
- Horizontal (16:9), Vertical (9:16), and Square (1:1) versions
- Any modifications to each component
- Fast render
- It is effortless to edit.
- The help file includes a detailed explanation of the procedure.
- Preview Panel
