Draw Simple Repeat Patterns in Procreate: Are you intimidated by creating patterns repetitively? Please find out how simple they are!

The educator and artist Peggy Dean is all about making creativity more accessible, and in this course--recorded with Zoom and featuring the participation of the Skillshare community, she focuses on making repeat patterns that can be printed on your designs on products.

Spend an hour drawing with Peggy and learn about the following:

- How do you design patterns that work best for repeated patterns
- How do you design your artwork so that it can be printed on products of any size with no apparent seam
- There are many other Tips and Tricks for Procreate!

This class is ideal for beginners or skilled people who wish to improve their skills. All you require to attend is an iPad equipped with Procreate and a stylus. Take your tools and prepare for a fun and stress-free art-making with Peggy!

Lessons in This Class:

- Introduction
- Importing Colors to Procreate
- Choosing & Organizing Brushes
- Creating Your Illustration
- Adjusting Color & Cleaning Up
- Designing Your Pattern
