Soulful Cloud & Sky Overlays for Photoshop: Do you want to bring some fun to your photos and help them realize their full expression potential? Do you wish to record your customer's hearts and souls in a photo they'll cherish for the rest of their lives?

Our "Soulful Skies" Overlay Collection can quickly transform your photos by combining some of the most beautiful skies, cloud formations, sunrises, and sunsets!

Enhances your photos dramatically by re-creating dull and overblown skies using one of the gorgeous clouds and sky overlays in this gorgeous collection!

It's straightforward to use! Change skies in seconds with our updated and new BONUS cloud Applicator Photoshop Actions that will instantly replace your blow-out or overcast skies and sometimes even colored skies.

Photoshop, as well as Photoshop Elements compatible, must allow layers to be used.

FREE Bonus Cloud Applicator Actions set compatible with Photoshop CS3 - CS6; Creative Cloud, and PSE 11+ (see the full compatibility with PSE further down).

Please note: The two "Magic Replace" actions included in the bonus set of actions are only compatible with Photoshop CSS3-CS6 Creative Cloud; and PSE 13+. If you use the bonus actions included in PSE 11-12 and PSE 11-12, the two "Magic Replace" actions won't perform. Instead, you can utilize"Cloud Applicator" or "Cloud Applicator" to apply overlays to your image.
