Ultimate Pencil Brushes • Procreate CM 5496534: The high-quality pencil brushes were designed with the help of scans of real drawings and the textures of pencils. Utilizing the most sophisticated Procreate 5x and Apple Pen features, the brushes perform like conventional graphite and coloring pencils. You can use the Apple Pencil in normal use to create sharp, precise pressure-sensitive strokes. Or, move your Apple Pencil in a tilt to create wide and soft strokes.

The brushes are able to be used to simulate drawing graphite and coloring pencils and also come with an eraser brush design to create a life-like drawing experience.

To get the best results, these procreate brushes should be applied to the pre-textured files included in the package. You can watch the particulars of your work become more vivid by switching the layers off and on!

The set comes with 12 brush sets:

- 10-realistic pencil brushes (HB-8B Fillers, fillers, and texture brushes)
- 1 eraser shape brush
- 1 finger smudge blending brush
- 1 pre-textured, pre-textured file (5000 4000 pixels)
- Compatible with Procreate
