

## Epic Stock Media AAA Game Character Vampire WAV

2025-02-10 17:14:44    [label](#)    [我要反馈](#)    [下载页面](#)

**Epic Stock Media AAA Game Character Vampire WAV:** Be on the lookout! AAA Game Character Vampire voice-over sound library offers more than 309 full-bodied games-ready voice-over files including vocalizations, battle and triumph cries, cheers as well as custom-made character-specific dialogue lines, and stock dialogue lines for characters that players do not play. With high-quality audio recordings, you'll have all you need to build an engaging surface for movies or gaming audio experiences.

The vampire's **voice is strong, dark, and frightening, with the smoothness of his delivery and performance.** He is perfect for characters such as a nemesis, dark elf, evil boss vampires, villains NPC, or any other characters that are lurking in-game. The Vampire's voice is available to go, however, it is available in unprocessed and clean audio formats as well, in case you wish to process the audio files by adding the effects of vocals.

### EASY to use FILE FORMATS

All recordings are available in 24bit/96khz .wav file format. This gives the highest quality for intensive sound editing, pitch shifting, and FX processing while maintaining top-quality clarity and accuracy. In addition, AAA Game Character Vampire can be downloaded in multiple versions of the Library: 44.1k 16Bit .WAV and production-ready MP3 format, so it is not necessary the conversion of files. **Choose the format that is best suited to your needs** and create immersive cinematic games and scenes easily.
