Tropic Colour - EDITING ESSENTIALS:

The Editing Essentials digital product offers a curated collection of over 100 premium assets designed for video editors. It includes 10 LUTs for color grading, 20 grain and texture effects, 25 customizable title templates, 18 motion design elements, nine mattes and overlays, and four editable contracts for editing and freelance work.

All assets are provided in their original size, format, and quality, sourced from the brand's best-selling packs, making it a comprehensive toolkit for professional editing projects.
