LilyBlue – The Inspired Set Presets:

Inspired Set Inspired Set is simple and simple, but it also comes with presets to create the most gorgeous tones. This set is a beautiful and simple way to simplify your workflow. Inspired presets can be used as stand-alone editing tools, but they use an action within Photoshop-like Simple One and Bisque Softer From Simple Set Actions to create unlimited editing combinations.

Six presets in black and white. Six simple and beautiful presets. Twelve captivating tones. Plus Lilyblue refines presets to enrich your images.
