SOUND EFFECTS
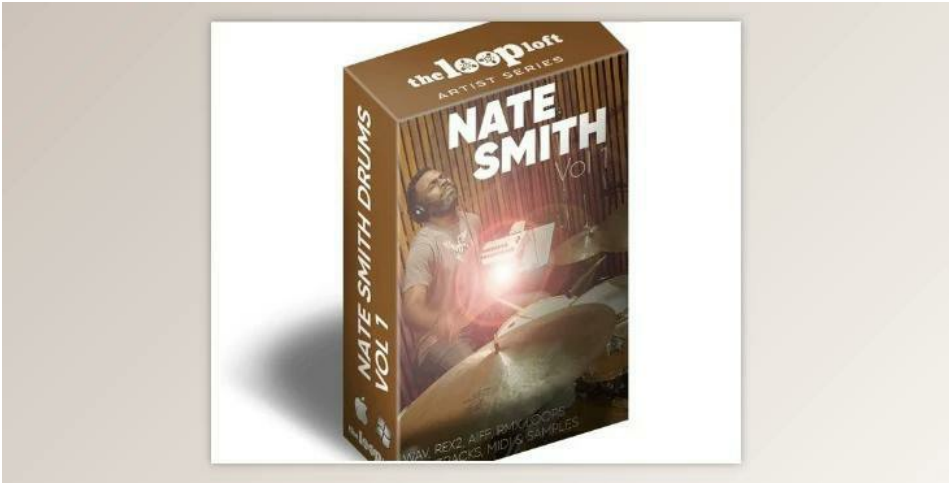

The Loop Loft Nate Smith Drums Vol 1 (WAV, MIDI): Recorded at the renowned Bunker Studios in New York City using the vintage Neve 8058 console, Nate Smith Drums Volume 1 delivers some of the punchiest and pristine drum sounds to date, driven by Nate's exceptional feel and signature "vibe" on the kit.

This collection features over 276 beats, fills, and breaks, providing a vast array of tempos, beats, and genres. The Deluxe Edition offers 12 channels of separate audio tracks in pristine 24-bit/96 kHz audio, allowing full control over each element of Nate's drum kit, including kick, snare, toms, overheads, and room mics. Additionally, the Deluxe Edition includes loops in various stereo formats (REX2, AIFF, WAV, & Stylus RMX), as well as MIDI, enabling seamless integration into any DAW or loop plug-in.

Take advantage of the Nate Smith Drum Bundle to save 30% and receive both Vol 1 and Vol 2.
