C.A. Sound, Inc Monster Vocals (WAV):

The library is a tiny selection of premium zombie and monster voices that permit an easy distinction between actor and character. There's a wide range of sound palettes, female and male. There's some great music at 24/96. You can download the files instantly and incorporate them into your production right now. Full metadata - simply add the files to your production workflow. Ideal for game studios and production companies too.

Simple additive monster vocals. If you're in need of more.

Teenagers are processed into zombie voices. Who doesn't want more zombie voices?

Specs: 199 sounds * 199 files * 24 Bit / 96 kHz
