Outdoor Lightroom Presets: 10 Outdoor presets available for Lightroom Mobile&Desktop. Film presets are designed for Bloggers and photographers designed for landscapes, portraits as well as Travel Photography, and so on. Presets can add trendsetting tones to street photos and help them look more authentic. The presets are all designed to match your photos in a single click. To ensure the best quality results, we make each preset with various light and color settings so that you can enjoy the best quality editing. For the highest quality editing of your photos, just adjust the exposure of each photo!
