Unreal Engine - Characters Modular Blacksmith - Male Humans - Fantasy Collection v5.1: Introducing the ultimate fantasy human pack, complete with a blacksmith character! This comprehensive collection furnishes your game with a diverse array of human characters, heads, weapons, outfits, and hairstyles.

Crafting a fantasy adventure? Look no further than this feature-rich pack. With four distinctive head and hair variations and five top-tier weapon assets, your world-building possibilities are endless. Enjoy seamless physics integration, with hair elegantly bobbing and garments swaying realistically. Plus, cloth physics is meticulously configured for added authenticity.

These characters are fully modular, offering 8 layers of mask control for effortless color and style customization. Elevate your visuals with high-quality master materials, ensuring lifelike rendering of skin, hair, and eyes. Dive into the realm of fantasy with this unparalleled asset collection!
