"Broken" from Industrial Strength is a Cinematic collection that follows the footsteps of previous Industrial Cinematic Packs like "Klang," "Cinematic Noise' Dark Matter' and 'Industrial'. It also includes 'Blackmospheres and 'Shrill' to mention some.

This pack includes some extremely helpful and crazy broken sounds, all created from scratch, combining fresh and synthetic audio that is twisted to create a distinctive sounding pack.

"Broken" is designed to be set for the industrial Machine Style FX for Games and Film SFX, Sound Design work as well as to be layered with your own music. This pack is designed for underground genres such as Industrial Techno, EBM, Hard Techno, Dark Ambient, Dark Room Techno, and many other kinds of Experimental music.
