Glass Distortion Overlays (Videohive 55304019):

This video effect pack brings a surreal, dreamlike quality to footage by mimicking the way light refracts through glass, water, or other surfaces, creating a unique, skewed visual distortion.

With multiple glass overlay options, users can achieve unlimited variations of warped, blurred, and creatively refracted visuals without needing additional plugins. The effect is highly adaptable, with numerous customizable controls, making it ideal for artistic and imaginative video projects.

- **Glass Distortion Overlays** – Includes 10 unique glass-distortion overlays for adding a dreamy, surreal quality to any video.
- **Multiple Resolutions** – Available in 4K, HD, square, and portrait formats, making it versatile for various project needs.
- **No Plugins Required** – Apply the effects directly without requiring any additional software.
- **Ease of Use** – Simple, user-friendly controls make it accessible to both beginners and professionals.
- **Unlimited Creative Potential** – Each application of the effect offers a unique look, ensuring endless customization.
- **Updates & Support** – Includes free updates and ongoing support for user assistance.
- **In-Depth Video Tutorial** – Comes with a step-by-step tutorial, featuring voice guidance, to help users get started.

Control Options:

- **Glass Scale & Rotation** – Adjust the size and angle of the glass effect to achieve the desired level of distortion.
- **Reflection Customization** – Modify reflection properties, including color, intensity, and angle.
- **Blur & Displacement Controls** – Fine-tune horizontal and vertical blur for a distorted, ethereal look.
- **Masking Options** – Control the size, position, and softness of the effect's mask for tailored compositions.
- **Wave Patterns & Adjustments** – Choose from multiple wave patterns (Wave, Triangle, Sawtooth, Circle, etc.) and customize wave properties, including height, width, direction, and speed, to create unique motion effects.

This pack enhances visual storytelling with a fantastical, immersive quality, perfect for artistic, commercial, or personal projects requiring a surreal visual twist.
