Unity Asset - Medieval Windmill with Interiors:

This highly detailed **Medieval Windmill with Interiors** is crafted for both visualizations and games, featuring realistic textures and real-world references. It includes a fully modeled interior and an accurate gear system, with a rotation blueprint for the sails. The package also offers landscape auto material, meadow plant grass types, and spline roads with wooden fences. The model comprises 50 windmill parts, 5 plant types, and 20 unique props, making it a comprehensive and immersive addition to any medieval-themed project.
