Make more money from your shop by using our gorgeous hanging Photoshop mockups made with genuine high-quality products.

The mockups included in this set include four photo-realistic 4K resolution templates, as well as entire color libraries from Bella Canvas, American Apparel, Gildan, Next Level, and many more. It makes it simple to duplicate any fabric made by any manufacturer!

4K Resolution

Each mockup has a resolution of 4000x4000 pixels providing stunning images to showcase your online storefront. You can easily crop or zoom your images while watching your pictures shine in HiDPI and retina devices.

Created from Genuine Products

Our mockups are created using high-quality, authentic items. Every item purchased is taken in our studio to create every mockup that you are seeing. No fakes or gimmicks only genuine, high-end hand-crafted products.

Complete Fabric and Color Libraries

Each template has color collections that include Bella Canvas, American Apparel, Gildan, Next Level, Anvil, AS Colour, Alternative Apparel, and Comfort Colors. We also provide a custom color picker to fine-tune colors and create customized fabrics.

Map of 3D artwork

Our mockups automatically stitch your design around clothing, making your design appear realistic. The use of smart objects, as well as displacement maps, helps make your images easy and quick.

Additional Options

The mockup package includes four different perspectives that show the item. It is more comprehensive than other mockups products available on Creative Market. It gives you the options and flexibility you'll need to design images for your online storefront.
