Unity asset - Frank Warrior UE FBX v1.4.2: The Basic Warrior Animation for Action RPG is a comprehensive animation pack suitable for any game engine, with UE4 FBX files included for added versatility. Crafted entirely by hand, these animations bring the Frank RPG Warrior character to life with fluid and dynamic movements.

Featuring a Sword and Shield animation set, this pack includes 93 motions, offering a wide range of actions to enhance your game. Among the motions are 7 Combo Sets, 5 Skills, 5 Single Attacks, 2 Shield Attacks, and an 8-Way Run, providing ample variety for combat scenarios.

All animations are provided as separate Humanoid FBX files, ensuring compatibility with Mixamo characters and facilitating seamless integration into your project. Detailed information about each motion can be found on the preview video page, allowing easy reference during implementation.
