Architoria - Vintage Victorian Font: "Architoria" is a vintage Victorian-style display font designed for projects requiring a classic and aged aesthetic, such as posters, logos, and branding materials. Featuring ligatures and alternates, it offers a variety of options to enhance design creativity. Additionally, the font includes decorative lines accessible through OpenType features and the glyphs panel in Adobe Photoshop/Illustrator. Users can easily access these features by typing an underscore followed by a number (1-6). Furthermore, Architoria supports multiple languages, ensuring versatility and usability across various design contexts.
