**Metallic textures bundle (CreativeMarket 1454573):** This really is a Massive package of a few of my Very Best selling metallic Textures, together with some bonus extras. This package comprises a selection of different metallic colors like gold, rose gold, champagne gold, silver, black, and aluminum, and a selection of distinct effects such as brushed metal, transparency, classic alloy, bokeh, and glitter. These designs are great for attaining metallic text effects with cutting masks, or as wallpapers in any range of jobs. All wallpapers are 12 x 12 inch jpegs (300 dpi). For simplicity of usage, files are organized in folders based on texture kind and color.

The package Comprises the following products (which may also be Bought separately) along with plenty of extras located just within this package!
