Most important instruction:

- 1. The first step is to open an image within Photoshop. Then, you must resize your image. To resize your image, select the crop tools in the menu at the top. There you will find W x H Reso, three empty boxes. Write W 1000px, H 1000px, Resolution 72. The space around your image for optimal results. Choose your background image, use the crop tool in the toolbar, and expand it to the entire sides. After that, press Enter button.
- 2. Open your picture. Make a brand new layer, then change the name to "paint" (in lowercase). Choose a brush to paint your photo. Close the "paint" layer eye and continue to select the "Background" layer, then click the play action button.
- 3. Before you turn on the Action, ensure that your background color is white and your foreground background color is black.
