What is Jake Olson – Lisa Holloway Premium Lightroom Editing Bundle?

Jake Olson and Lisa Holloway are both well-known photographers in the industry, particularly in portrait and fine art photography. They are recognized for their unique styles and high-quality photography work.

A "Lightroom Editing Bundle" refers to a collection of Lightroom presets, profiles, or editing tools created by experienced photographers or editing experts. These tools are designed to help other photographers and enthusiasts enhance and edit their photos in Adobe Lightroom, a popular photo editing software.

Such bundles are usually created to save time and simplify the post-processing workflow for photographers. Users can apply these presets and adjustments to their photos to achieve specific looks or styles with minimal manual editing.
