The Editorial Collection for Photoshop Adobe Camera raw 7.0+ is now available.

The Editorial Collection targets fashion, beauty, and lifestyle photographers. This pack is designed to preserve natural skin tones and add subtle color toning throughout the image. It also includes contrast and light grains. We have found that they work well with images with neutral backgrounds.

Included:

- 20 Photoshop Adobe Camera Raw Presets
- Instruction Manual with links for Support Center

More details:

- Compatible with Photoshop Adobe Camera raw 7.0+
- Windows and OSX compatible
- Fully customizable presets
- Use Raw file type image files (e.g. CR2, NEF, DNG etc.)
