### CS Marcus – Blackletter Font Creative Market:

CS Marcus is a bold blackletter font inspired by medieval calligraphy, exuding authority, tradition, and historical elegance. Its sharp, angular letterforms and intricate ornamentation reflect the grandeur of ancient manuscripts, making it ideal for designs that seek prestige, formality, or a gothic touch.

The font's highly structured style adds a sense of strength and artistry, making it a standout choice for formal projects, historical themes, or any work requiring a timeless expression of strength and tradition.

#### Styles:

- CS Marcus Regular
- CS Marcus Italic
- CS Marcus Reverse Italic

#### Typography:

- Uppercase and lowercase characters
- Numerals and punctuation (OpenType Standard)
- Multilingual support with accents
- PUA encoding for easy access to special glyphs
