Glitch Stories Pack is a stylish and innovative After Effects template with dynamic animation. Eight unique, rhythmic and lively Instagram stories that have glitch effects. The application is simple to use: simply modify the text using the text filler program, then import an image or video, and begin rendering. It's a great way to show your portfolio store or stores you have through Instagram or Facebook, fashion, holidays sports, vacations sales, discounts, sales, and your products. Your audience will be impressed by this stylish and contemporary animation After Effects template. No plugins are needed. A video tutorial is provided in the package.
