**Unity Asset - Vendors and Customers v1.0:** This animation pack offers a comprehensive collection of animations depicting vendors and customers across various settings, including shops, bars, and restaurants. Featuring a total of 246 animations, this pack includes a diverse range of actions and reactions.

For bartenders, there are 21 animations showcasing tasks such as serving drinks, wiping the bar, using a cocktail shaker, and interacting with customers. Cashiers are represented with 22 animations handling transactions, greeting customers, and scanning items.
Chefs have 47 animations covering cooking on different surfaces like frying pans, woks, flat tops, and pots, as well as food preparation tasks like cutting and kneading, along with cleaning duties.

Customers are depicted with 143 animations, including drinking and eating animations, various sitting positions on bar stools and chairs, and scared reactions. Additionally, there are animations for salesmen (2 animations) interacting with customers and servers (11 animations) serving food and drinks.

This pack is compatible with Unity's Render Pipeline, including the Built-in Render Pipeline, Universal Render Pipeline (URP), and High Definition Render Pipeline (HDRP), making it suitable for creating dynamic and immersive scenes in games, simulations or virtual environments.
