

## Photo Smoke Animator (Videohive 37627168) - AE Project

2025-02-10 17:02:27 [label](#) [我要反馈](#) [下载页面](#)

**Photo Smoke Animator (Videohive 37627168)** is a versatile After Effects plugin compatible with versions CC2019 and above, offering Full HD resolution with support for 4K, mobile, and square formats.

### How to increase the visual appeal of an image?

You can use "Photo Smoke Animator (Videohive 37627168)" in After Effect.

This tool simplifies the process of enhancing images with animated smoke effects through a user-friendly workflow:

1. Drag and drop your photo into the project.
2. Mask the image within Photoshop or After Effects.
3. Customize the smoke effect using intuitive controls.
4. Render the composition to finalize the animated smoke effect.

### Key features include:

- No additional plugins are required.
- Universalized Controller for multilingual support.
- Comprehensive tutorial with voiceover for easy learning.
- Control parameters like smoke twist, opacity, size, direction, tint, background lighting, and color adjustments.

Photo Smoke Animator empowers users to elevate their visuals with dynamic smoke animations, adding artistic flair and dramatic atmospheres to photographs effortlessly.

The product is in the **After Effects Project** category from **VIDEOHIVE**, for more information about this post you can click on the home page link in the sidebar.
