Where can I download the product?

After subscription, You can download it for free from here.

- High Definition is designed to be the top high-quality pair of shoes you can buy online.
- It is possible to size up however much you like and lose very little or any resolution.
- It is easy to paint using color drops and was perfectly sealed so the color won't spill across other parts of the drawing.
- Line-art style, transparent background. Very minimalist if you want to.

What is Shoe Stamps Brushes for Procreate?

"Shoe Stamps Brushes for Procreate" is a set of custom brushes designed for use in Procreate, a digital painting app for iPad. These brushes are specifically crafted to emulate the appearance of shoe stamps, which could include various shoe-related textures, patterns, or imprints. Procreate brushes allow digital artists and designers to add realistic and detailed elements to their illustrations or designs.
