It is easy to make an actual zoom video conference call with up to 25 people in a call with this time-saving package. The pack includes mobile and desktop versions, detailed documentation videos, as well as technical support.

How does it work?

- 1. Pick Hangouts Desktop or Mobile template
- 2. Choose the number of individuals who will be on the call.
- 3. Add your videos, profile pictures, audio
- 4. Edit text layers like username, etc
- 5. Customize controls like mute/unmute, video on/off, etc
- 6. It's done - Export video!
