

### 3D Letters in Procreate – From Isometric Effects to Hole Text Illusion

2025-02-10 17:12:44 label 我要反馈 下载页面

How do you create stunning 3D letter effects using Procreate? Bring out Procreate and your iPad and let's begin. In this class, you'll master three stunning 3D optical illusions using Procreate for your 3D typography and lettering. For the best results, we'll employ the Drawing Guide as well as assisted drawing, and The Isometric Grid. Let's set the letters of your alphabet in perspective.

**You will be taught:**

- How do I show how to illustrate an **upstanding 3D upright letter**
- How do you draw a **horizontal letter using three dimensions?**
- How to create the incredible **hole illusion using Procreate.**

To finish the piece we will also touch up the **Letters with texture and shadows.**
