The **Book and Magazine Promotion** VH-26992436 offers an efficient solution for creating promotional videos for books or magazines. With control over page flips using markers, users can swiftly customize their presentations. The template comes in two versions, a longer one at 1 minute 15 seconds and a shorter one at 31 seconds.

How to design promotional videos for magazines using templates in After Effects?

You can use "Book and Magazine Promotion" to design your project.

"Book and Magazine Promotion" Samples:

Compatible with Adobe Creative Cloud up to CC2023, it enables the creation of book or magazine promos with features like page-flip control, modular structure, and options for different book sizes and thicknesses. The template includes pre-made scenes, customizable elements, and video tutorials for easy customization. Additionally, it offers universal language support, requires no plugins, and provides options for background customization.

Package information

This After Effects project, last updated on June 1, 2021, and published on June 2, 2020, is compatible with After Effects CC. It includes universal expressions, ensuring seamless functionality across different language versions, and offers a resolution of 1920x1080 for high-quality visuals.
