Merry Christmas (Videohive 21046678) - AE Project

2025-02-10 17:11:29　　label 我要反馈　　下载页面

Merry Christmas (Videohive 21046678) - AE Project: Merry Christmas is an After Effects template After Effects created with 3D software. It is the ideal Christmas Template for Greetings in AE: It is very simple to modify and quick to render.

Texts can be changed to suit your needs Additionally, you can alter the colors of the fireworks as well as the particle trail. The animation is rendered in advance and you are unable to remove any parts from the image nevertheless, the animation comes with an Emitter layer, so if you own a Trapcode Particular you can easily replace the particle trail with your own and connect it.
The composition also comes with a camera layer, so you're allowed to add other elements either in 3D or 2D, and they'll be able to follow the motion.

- Full HD 1920x1080
- no plugins required
- Tutorial included
- Easy to modify
- Expressions universalized
- Works with every version of After Effects starting from CS5 and up.
- Animations that are pre-rendered
