

# Theater Lights – 3D Lettering Creative Market – 12646336

2025-02-10 17:02:12 label 我要反馈 下载页面

The Theater Lights – 3D Lettering Creative Market showcases high-resolution and lifelike 3D renders of entertainment, event, game, marquee, circus, and theater lights lettering, presented in 3000×3000 pixels (with slightly smaller letter sizes).

### How to design an advertising poster using layers in Photoshop?

You can use "Theater Lights – 3D Lettering Creative Market" to design your project.

Suitable for diverse projects such as headers, posters, and advertisements, both for web and print. The assets are provided as transparent PNG files, with five different views available and shadow layers included for added depth and realism.

### Package information

On January 23, 2023, a series of high-quality 3D renders featuring entertainment, event, game, marquee, circus, and theater lights lettering, each measuring 3000 x 3000 pixels, were produced.
