Draw Adorable Chibi Kitties Step By Step: Cats are among the cutest pets on the planet. What do you think if... they could be even more adorable?

Hello, My name is Patricia Caldeira, a professional artist. In this course, you'll draw Adorable Chibi Cats.

Chibi art is typically used by artists who want to draw something adorable and tiny. This is precisely what we'll draw to our pets during this course!

We'll begin by gathering adorable inspirations and cute references from artists who are professional and real-life cats.

We'll begin drawing immediately! You won't only see how I draw the Chibi Cats, but you'll also be able to draw with me!

We'll discuss how to:

- Draw Basic Shapes
- Add Different Patterns and Details
- Giving Fun Expressions To Our Cats
- Posing Your Cat Easily Step By Step!
- And there's more.

Everything has been covered in the course in its short form.

In addition, you'll also receive download templates you can utilize as a starting point to design your personal Chibi Cats!

So, what are you wasting time on?

Join now, and I'll surely see You in my next Video!
