What is Grunge Pack?

The term "Grunge Pack" can refer to different things depending on the context. However, one common usage is in the context of graphic design, where a "Grunge Pack" typically refers to a collection of textures, brushes, or design elements that impart a grungy or distressed aesthetic to digital artwork.

These packs are often used by graphic designers, illustrators, and artists to add character and a sense of texture to their digital creations. They are particularly popular in design styles that aim for a more urban, edgy, or vintage look.
