Retro Opener (Videohive 33412498) - AE Project: Do you want a retro slideshow to grab the attention and interest of the millennial generation. This generation considers social media a way to live and video content is their favorite form of entertainment. They are constantly connected and looking for relevant, trending, and interesting content. Entertainment is the key to reaching today's youth. This retro project features unique overlays and transitions that include film scratch, color, and film grain. You can instantly give your photos or videos the perfect look with these creative overlays.

- Fast Render;
- Multi-purpose
- Universal design;
- Easy color change;
- It is well organized and simple to use
