### Hud UI Pack 700+ (Videohive 19326628) - AE Project:

The HUD UI Infographics Pack 700+ is a comprehensive toolkit designed for creating futuristic, professional HUD (heads-up display) user interfaces for a variety of digital media projects. With over 700 customizable elements and 29 ready-to-use UI screens, this pack enables users to craft immersive and complex interfaces suitable for video games, movies, trailers, documentaries, and promotional content. From maps and clocks to ID cards and scoring tables, this pack offers limitless combinations for creating visually engaging dashboards, data displays, and infographics. The pack is supported by the free VIZMAX Extension, simplifying access to all elements, and is fully compatible with After Effects.

#### "Hud UI Pack 700+" Sample:

- **Extensive Element Library:** Over 700 vector-based HUD elements, including gauges, maps, radars, and progress bars.
- **Pre-built UI Screens:** 29 ready-to-use screens to jumpstart creative projects.
- **Animated Icons:** 50+ animated icons, enhancing interactivity and engagement.
- **VIZMAX Extension:** Free and easy-to-install extension for quick access to elements.
- **100% After Effects:** Created exclusively with After Effects shape layers, ensuring easy customization and scalability.
- **Global & Local Control Layer System:** Flexible control system for efficient adjustments across the HUD.
- **Compatibility & Flexibility:** Fully resizable, vector-based elements, optimized for 4K, with drag-and-drop ease.
- **Universal Language Support:** Works with all After Effects languages.
- **Sound Effects:** Includes mix-and-match sound effects to complement visuals.
- **No Plugins Required:** Ready to use without any additional plugins.
- **3D Object Compatibility:** Comes with HD, transparent 3D objects in PNG format.
- **Preview Catalogue:** Included for quick reference and element selection.
