Event Promo for Premiere Pro (Videohive 53653316):

The "Event Promo for Premiere Pro" template enhances projects with a creative touch, featuring animated scenes in a sketchy doodle style.

It includes colorful scenes resembling note lists, incorporating your media and logos.

Each scene is easily customizable with intuitive controllers and placeholders.

Ideal for event promotions, slideshows, and creative presentations, this template supports 4K resolution, has a modular structure, and is compatible with Premiere Pro 2021 and above.
