

Twitter Promo 3 in 1 (Videohive 35520070)

2025-02-10 17:12:29 label 我要反馈 下载页面

This project is a new Twitter promo that will allow you to make an impressive display of your account to the public at large. It has 9 placeholders for your media that you can edit and every text element is editable to your liking. This project can be completely customized and comes with controllers that allow for simple modification and is extremely easy to use. A video tutorial is also included.
