

Houdini.School – HS-106 The ABCs of Exporting Animations from Houdini

2025-02-10 17:11:29 label 我要反馈 下载页面

This recorded class will educate students on the main file formats that are that allow files to be exchanged with Houdini and other software. Background (and in the event that it is appropriate historical) details will be provided about each format as well as consumption of other software. The course will be broken into two segments: A) An introduction B) A body containing one subsection per major format and one section covering all minor/deprecated/anomalous formats.

Gfx plugin details of Houdini.School – HS-106 The ABCs of Exporting Animations from Houdini
